

Job ID: 557125

Title: Associate Director, Credit Analyst, International Corporates

Company: Standard Chartered Bank

Job Description

To provide insightful, relevant, succinct and timely credit analysis of a portfolio of SCB's clients (current or prospective). This includes responsibility for proposing counterparty credit grades via the relevant scorecard, and ongoing monitoring for credit-material events. While the portfolio will be industry / geography specific in focus, the role extends to analysing other clients as may from time to time be required.

Qualifications and Skills

- Degree qualified with at least 8+ years' relevant experience gained either in banking, treasury or accounting environment
- Strong analytical ability, focused on the assessment and calibration of credit risk
