

**Job ID: 557147**  
**Title: Associate FXRC Junior Structurer**  
**Company: Standard Chartered Bank**

### **Job Description**

We are looking for a highly motivated and self-driven individual to assist the Directors and Managing Directors in the sourcing, planning and executing of transactions in the FX, Rates and Credit Structuring (FXRC) business in ASEAN.

- Leverage familiarity with derivatives-based solutions to originate and execute FM business and maximise cross-sell revenue
- Provide pricing to Sales for structured FX, Rates and Credit both at the origination and execution levels; facilitate deal execution across FXRC where required
- Support senior members of the team and help them design, promote and execute bespoke derivatives-based solutions for the bank's clients
- Demonstrate excellent soft skills including deal communications, idea sharing, stakeholders liaison and strong team play
- Co-operate on global initiatives and share information, ideas with sales and structurers outside the region
- Deliver training and education on FXRC products to internal and external audiences

### **Qualifications and Skills**

- Resilient and enthusiastic personality, positive attitude, willingness to learn and take on responsibilities
- Strong communicator, able to deal and conciliate with sales, traders, CIC, L&C, MTCR and other support functions in geographically diverse locations and in new situations
- Resourceful individual, with the ability to solve problems across businesses, disciplines, functions, jurisdictions, markets, assets
- A combination of technical (derivatives pricing, Quant Finance, programming, CFA, FRM) and business/finance qualifications is advantageous
- Previous experience in financial markets in a front office position
