

Job ID: 553672
Title: Associate UAT Team Leader
Company: Standard Chartered Bank

Job Description

- As a team member of UAT Centre of Excellence, effectively engage with stakeholders and in-country teams for Client Access programs
- Provide constructive feedback for BRD reviews
- Understand the Business requirements and clarify any concern with business for test case creation
- Conduct User Acceptance Testing (UAT) and closely follow up with the support team for resolution
- Escalate any major issues to management if required
- Update the testing result on a daily basis and upload the evidence of UAT to the Documentation Repository
- Participate in the User Verification Testing (UVT) of enhancements to ensure a smooth rollout
- Conduct root cause analysis on post implementation issues from a business perspective, enhancing the UAT coverage to prevent recurrence of the issues in the future
- Preparation of the regression pack for select modules, in line with the agreed framework
- Ensure Product Development Lifecycle methodologies are followed including end to end testing

Qualifications and Skills

- University degree major in Business / Finance / Accounting.
- Minimum of 3 years of Transaction Banking experience.
- Previous project, product management and /or implementation experience.
- Ability to create and deliver effective oral and written presentations/proposals up to a senior level of management.
- Strong leadership and motivation capability.
- Ability to effectively manage and motivate matrix resources to attain organizational goals and influence without direct authority
