

Position: **Audit Officer/Senior Audit Officer**
Organisation: **Auditor-General's Office**
Location: **Singapore**

Company Summary

The Auditor-General's Office (AGO) is an independent organ of state and the national auditor. Our mission is to audit and report to the President and Parliament on the proper accounting and use of public resources to enhance public accountability. AGO conducts various audits and our observations include system weaknesses, non-compliance with control procedures or legislation, and instances of excess, extravagance, or gross inefficiency leading to waste in the use of public funds and resources. We are looking for candidates who possess good leadership qualities, strong drive for achievements, excellent analytical abilities, communication and interpersonal skills.

Job Description

You will be responsible for carrying out audits on assigned areas so as to enable the Project Lead to conclude and report on the audit of a government ministry/statutory board/public entity. This includes helping the Project Lead to identify issues and areas of concern to be addressed in the audit and the audit approach to be adopted. You will also help to identify potential audit findings and obtain the necessary audit evidence to support the findings.

Job Requirements

- Degree in Accountancy or its equivalent acceptable for membership with the Institute of Singapore Chartered Accountants.
- Applicants must be Singaporeans.

Application

If you are looking for a career that is rewarding, fulfilling and one that makes a difference to enhancing accountability over the use and management of public funds and resource, join our team of audit professionals now.
