

Position: Operations Specialist (EA: 94C3609/ R1658081)
Organisation: Randstad
Location: Singapore

Company Summary

Are you keen on working in a non desk-bound job with flexible working arrangements?

Do you enjoy being a part of an organisation that is expanding at a massive scale globally?

Our client is a powerhouse in the tech scene worldwide. Backed by some of the world's most reputable firms worldwide worth billions, the company has targeted Singapore as a big focus for growth and is set to scale aggressively in the region in the next couple of months.

If you love a hands-on role, enjoy getting your hands dirty and you are passionate about working in an environment experiencing accelerated growth, this role is for you!

Job Description

As an Operations Specialist, you will be required to:

- Hit the target KPI assigned
- Manage the ground and logistic crew - coordination with vendors on a regular basis
- Improve the operation efficiency and user engagements
- Observe user habits and usage pattern

This is a permanent role, with a flexible work culture.

Job Requirements

- Degree/Diploma in any related discipline (Mechanical engineering is a plus!)
- Be proactive and excited to work on the ground
- Strong understanding of Singapore market and user habits
- Excellent communication skills with a proactive attitude
- Bonus points if you enjoy the outdoors and keeping fit!

Application

To apply, please submit your detailed resume at <https://www.randstad.com.sg/job/operations-specialist-singapore-13789885>

Only shortlisted candidates will be notified.
