WHY HUMAN RESOURCE CONSULTING

Building the Foundation of a Human Resource Manager To Business Growth Catalyst

The first of its kind in the Asia-Pacific region, this specialisation equips students with the ability to understand how business works and provide HR solutions to help the business succeed.

The curriculum adopts a good mix of theories, practice, software and tools to prepare students for roles in compensation and benefits, talent management, training and development as well as consultancy.

Taught and mentored by faculty who are very strong in research, and practitioners with extensive industry experience.
