Committee Member for Term 2009-2010

Ms Janet Li Chunjiang

Partner

Biogrowth Sdn Bhd

Janet graduated from Shanghai Jiao Tong University with a Bachelor Degree in Business Administration 1997. After several years in the hospitality and insurance industry, she returned to school to obtain her MBA in 2002.

Janet has 10 years of working experiences in insurance, financial consultancy and manufacturing industries, and was exposed to fields which include office administration, human resources, organization development and business operation.

After graduated from Nanyang Business School, Janet was employed by Guangzhao Industrial Forest Biotechnology Group Limited, a Chinese company listed on the main board of the Singapore Exchange (SGX) as Office Manager. She helps the company set up a HQ office in Singapore to leverage on the strategic benefits from Singapore as the regional operation, and evaluate respective vendors, service providers and professionals accordingly. By doing so, she implements the best office practices and relevant internal control systems which equipped the company well enough to operate as the regional office and complied with SGX requirements.

In 2008, Janet moved into the manufacturing industry and joined Jurong Technologies with the mission to set up a new Biotechnology division for the Group Company. As the Division Manager, she is in charge of business and strategic planning, budgeting, forecasting, and P&L of the operation.
