### **Honorary Treasurer for Term 2009-2010**

**Ms Linda Yu Zhilin**  
**Assistant Manager (Risk Strategy)**  
**United Overseas Bank Limited**

Before she earned her undergraduate degree in Economics, Linda has worked for the Singapore Embassy in China for 2 years, serving as an Assistant to the Consul-General. On behalf of the Consul-General, she liaised with various governmental departments and multinational corporations in China on bilateral relations as well as assisted in handling consular cases. Working with the Singapore Mission was a rewarding and fruitful experience for her as it grows her interest in the business area and motivates her to further her studies with the Nanyang MBA.

Linda is currently working in the area of risk management area for UOB. Her key responsibility is to highlight risk issues and market developments to senior management through various reports, research and analysis. Before to her present stint, she has gained hands-on experiences in credit risk analysis as well as business development in commercial banking.

As a Chinese national, Linda would like to take this opportunity to leverage on her good knowledge of the China's economic and business environment to create values and bring in new perspective for the Nanyang MBA Alumni Association.
