TO PUT YOU AHEAD.**
Get one that is a cut above the rest.

NANYANG EXECUTIVE MBA Global Leadership for the Asian Century

**The Business School's flagship MBA programme is
#24 in the Financial Times 2009 MBA Rankings**

The Nanyang Executive MBA (EMBA) programme with specialisations in:

- Shipping, Offshore & Finance
- Energy

combines the latest research and theory with a practical-oriented "hands-on" approach to give participants an understanding of the key drivers, challenges and opportunities in these industries, with an exposure to the fastest growing Asian markets.

- Develop Leadership and Entrepreneurship skills
- Experience international immersion in Europe and Asia
- Benefit from faculty who are leaders in Asian Management thought
- Get the edge in management practices in a multicultural environment
- Annual intake in January

Funding support of the tuition fee is available for qualifying candidates from SPRING Singapore and MPA.
